CALLING ALL ARTISTS:

Illustration/Comic about Natural Resources!

Here's what you need to do...

Your task to create an illustration (1 large picture) or a comic (several smaller pictures that show time passing) that focuses on natural resources. The main goal is to show the importance of conserving natural resources – think about what could happen if we don't!

In your drawing, you should include...

- At least one renewable or nonrenewable resource
- The effect(s) of conserving or not conserving that resource
- Either a caption OR talking bubbles to explain your drawing
- The illustration/comic must be colored and should take up a full page

Due Date:
